WHO AM I?

Since 2016, I am specialized in business and corporate portraits and events in Montreal.

My approach is human and will be felt from our first call until the delivery of your photos. Each photoshoot is unique, since I take the time to make you comfortable in front of my camera. My priority is to provide you with quality pictures that will highlight your greatest features.

My event pictures are described as small documentaries shot in a journalistic style.

I'll take pleasure in capturing your story in an authentic way, so why don't we share this experience together ?
